

# LA COMUNIDAD HISPANA

**2016**  
ANNUAL REPORT

*Dear Friends,*

It is our pleasure to bring you this report on our accomplishments and impact in the past year. It was a year of exciting progress, during which we saw more patients, added pediatric capacity to our medical services, opened our Oxford Health Center, created new educational programming for our adult learners, and received a grant to open a Dental Center to fulfill a long unmet health need in southern Chester County. Now more than ever, we are equipped to help our clients holistically and ensure that every person who comes to LCH can change his or her life for the better.

As we work to strengthen our integrated services to ensure optimal outcomes for our clients, we are focusing too on ensuring the high quality of our services. We are dedicated to providing services that exceed the expectations of those who come to us for care. As you will see in this report, we measure every aspect of our impact and listen to our clients when they suggest changes. Our goal is continuous improvement, and a continuous increase in the measurable positive impact we have on our clients' lives.

Please know that the impact we have on our community is made possible thanks to your generous support. It costs LCH more than \$1.1 million each year to provide health care for uninsured individuals, who in turn pay us about \$200,000 for that care. The gap of \$900,000 that LCH must pay to insure good health for all of our patients is covered with donations from our friends and supporters. We are so grateful to all of you!

*In good health,*

Paul Huberty  
Chair, Board of Directors

Alisa Jones  
President and CEO

## KENNETT SQUARE HEALTH CENTER GROWTH

Expanded capacity and a wider range of services at our Kennett Square main facility helped us to increase the number of individuals served even more. LCH served 4,364 clients from our Kennett site in 2016, compared to 3,033 in 2014 and 3,236 in 2015. With new pediatric capacity, LCH is better equipped to be a medical home for the whole family.

LCH family waits for services in the front reception area of our Kennett Square location.

The LCH Oxford Team: Liliana Hernandez, Member Relations Specialist; Montserrat Alvarez, Medical Assistant; Anna Roosevelt, Behavioral Health Consultant; and Dr. Elaine Kirchdoerfer (Dr. K), MD, Physician.

## OXFORD COMMUNITY HEALTH CENTER

One of the main ways we impacted more people in the past year was the opening of our Oxford Community Health Center. This new location allows us to serve our clients in the western end of our service area, and to reach many new patients who had previously had little or no access to health care.

## LCH DENTAL CENTER

In June 2016 we received support to open LCH's first Dental Center. This new site, projected to open in December 2016, will meet a long unmet need for affordable, accessible dental care for the uninsured and underinsured in southern Chester County. Finally, people of all ages will be able to get the oral health care they need to stay healthy.

Dr. Steven C. Moshen, D.M.D., Dentist in the new LCH Dental Center located at 404 McFarlan Road, Suite 302A Kennett Square, PA 19348.

*“We provide care to anyone in the community at any stage of life, and we do it with true passion and compassion to keep this community healthy and happy.” —Cindy Schmeltz, DNP, FNP-C, CRNP, Medical Director*

*“I love learning how much patients and their children have grown during postpartum visits.”—Catherine Domanska Elliott, WHNP-BC, Women’s Health Medical Director*

*“No matter who you are, where you are from, or where you are going, we will take care of you at LCH.”—Yaritzabell Dorsey, Medical Assistant*

## Wendy's Story

“You may see me at the Dollar General in Kennett Square in my day-time job, but you may also find me behind a camera lens. I have a small business as a portrait photographer.

I came to LCH to meet with Abner Santiago, one of the Behavioral Health Consultants. I meet with Abner to help manage my anxiety disorder. After separating from my husband and leaving South Jersey, I have started anew in Kennett Square. The behavioral health services at LCH have helped me to start fresh. At LCH I am learning how to be my own person, and what I am going through is just a normal part of growth and life. Abner has helped me see that.”

*“My family is happier and healthier thanks to LCH...in so many ways.”  
—Pedro with his wife Elizabeth and daughter Lesly*

## Rodolfo's Story

“I was working for a landscaping company. At first, I was paid for my work, and then the payments stopped. I continued to work but the company kept making excuses not to pay me. I did not know what to do so I quit the job. I tried for many months to talk with the company about payment for the work that I did, but I could not reach anyone.

I came to LCH for help. They showed me how to file a lawsuit in small claims court online using the computers they have in their waiting area. I filed the claim for \$1,695—my unpaid wages plus the court costs. A few weeks later, I received the full payment from the company.”
