

LCH HEALTH AND COMMUNITY SERVICES

**2023
ANNUAL
IMPACT
REPORT**

A WORD FROM OUR LEADERS

Dear LCH Stakeholders,

We are thrilled to present to you our annual report while celebrating a significant milestone in our journey—the 50th anniversary of LCH Health and Community Services. This year's report is especially noteworthy as we unveil exciting developments and initiatives that will shape the future of LCH.

Pia Center for Behavioral Health: A New Dawn in Mental Health Care

In line with our commitment to holistic healthcare, we are thrilled to announce the opening of the Pia Center for Behavioral Health. This modern facility provides compassionate and comprehensive mental health services by our team of experienced professionals, offering a range of counseling, therapy, and support programs.

New Electronic Health Record: Transforming Patient Care

To enhance the quality and efficiency of our healthcare services, LCH has implemented athenaOne[®], a cutting-edge Electronic Health Record (EHR) system. This technology ensures seamless coordination of patient care, improved communication among healthcare providers, and enhanced accessibility to patient information. athenaOne[®] marks a significant step forward in our mission to provide patient-centered, technologically advanced healthcare.

Health Center Week Community Event: Celebrating Together at Kennett Square Library

LCH organized a Health Center Week Community Event, in celebration of our 50th anniversary, bringing together other non-profit agencies, community members, and LCH staff for a day of health awareness, education, and celebration. The event showcased the various services of our community's non-profits and the services LCH provides, offered health screenings, and fostered community engagement at the new library in Kennett Square.

Modernized IT Infrastructure: Enhancing Efficiency and Security

In response to the evolving landscape of healthcare technology and cybersecurity threats, LCH has undertaken a comprehensive modernization of our IT infrastructure, adopted a “cloud first” strategy, and strengthened our HIPAA cybersecurity program. Our commitment to staying at the forefront of technological advancements and HIPAA security is key to delivering the best possible care in today's rapidly changing healthcare environment.

Aledade Medicare Value-Based Medicine Partnership: A Strategic Leap Towards Better Healthcare

We are excited to announce our partnership with Aledade in advancing our commitment to value-based medicine. This collaboration positions LCH at the forefront of a transformative trend in healthcare, where the focus is on delivering high-quality care while controlling costs.

In closing, we extend our deepest gratitude to everyone who has contributed to LCH's success over the past 50 years. Together, we have built a legacy of care, compassion, and community. As we look to the future, we remain steadfast in our commitment to providing exceptional healthcare services that meet the evolving needs of our community.

Sincerely,

Ronan W. Gannon

OUR IMPACT

Maintaining a Healthy Weight and Great Attitude

Esther has been a patient with LCH for the past 5 years and we've been able to help her throughout various stages of her life. From uninsured to insured, LCH was able to help Esther on her journey to better health. Esther has been working closely with our family nurse practitioner, Kate Hoffer and loves the work Kate has been doing... Esther has been focusing on improving her health by reducing her weight. "Oh my gosh! I was up to 303 pounds and now I think I'm down to 267. I thank her (Kate Hoffer)." We are forever grateful for patients like Esther and look forward to supporting her on her health journey. "LCH is a good place, the doctors the nurses they talk you through it. Anything that you need they'll talk you through it... like I said Kate is the best person to be around, she'll talk you through anything".

Birds Eye View

In 2020, 7-year-old Ingrid started noticing something different with her sight. Everything started to seem blurry in one of her eyes. Our Pediatric provider, Atley Aaron noticed Ingrid couldn't see out of one of her eyes and thought it was best to refer her to an optometrist. Without insurance the cost for an eye doctor visit and glasses was going to be insurmountable. Maria was relieved when she saw the flyer showing the Eagles Eye Mobile van powered by Vision to Learn was visiting LCH. Maria states, "I'm ecstatic that she got her glasses." When asked how Ingrid felt with her new set of lenses Maria said, "She's so happy you can't imagine! She's so happy with her new glasses... Thank you so much! I thank you with all my heart!"

DONOR SUPPORT FOR BEHAVIORAL HEALTH

Community Funding Project

Representative Chrissy Houlahan successfully funded 14 Community Project Funding priorities, totaling \$10,079,774, through the House Appropriations Committee. LCH participated in the proposal process and is one of 14 community focused recipients of grant funding. “LCH thanks Representative Houlahan for her strong support of our mission on behalf of the nearly 9,000 patients we serve. LCH is celebrating 50 years of serving southern Chester County with comprehensive primary healthcare for everyone in the community”, said Ronan Gannon, CEO, “and the Community Project grant will help LCH to continue to adapt to and address our community’s evolving behavioral and mental health needs.”

Pia Center for Behavioral Health

Thanks to the generosity of Nancy and Michael Pia, LCH will have dedicated space for behavioral and mental health services at their West Grove location. “LCH understands the profound importance of health and mental well-being, and that is why Mike and I support them in their mission for equitable health care for all members of our community,” commented Nancy Pia.

The space will be purposefully designed to create a safe and welcoming place for patients seeking care. “LCH is passionate about providing state-of-the-art, accessible, integrated and equitable healthcare for everyone in our community” said LCH CEO, Ronan Gannon. “We want to provide our patients with the tools they need to lead healthier and happier lives.” The Pia Center for Behavioral Health at LCH will include group therapy and outpatient therapy spaces while also allowing for integrated care at our locations in Kennett Square and Oxford.

OUR FUTURE

50 Years of Dedication: A Golden Jubilee Celebration

This year, LCH commemorates a remarkable 50 years of unwavering commitment to the health and well-being of our community. From our beginnings as a social services agency, we have evolved into a community health center offering comprehensive primary healthcare, touching the lives of almost 9,000 individuals. We express our deepest gratitude to all who have been part of this journey—our dedicated staff, supportive community, and steadfast partners. Our future will be celebrated, innovative and expansive as we move forward alongside our community. LCH will remain nimble so that it can meet the evolving needs of our community's underserved residents.
