After Hours Emergency

If your condition is an emergency and you need medical attention right away, please call 911 or go to your nearest Emergency Room for care. You do not need to call us first.

If your situation is not an emergency but it is important to consult with a provider as soon as possible, please call (610) 444-7550.

Do not call the provider after hours line for non-emergencies such as: refill medication, pain medication, scheduling an appointment and getting lab or X-ray results.

Late Arrival Policy

Patients are considered a “no-show” to an appointment when they do not arrive at the appointed time OR if they arrive more than 15 minutes late to their appointment. If a patient arrives late, the provider has the discretion to accommodate the patient or require that the patient reschedule. For dental visits, patients cannot be more than 10 minutes late for their appointed time; if late, the patient will be rescheduled.

No Show/Cancellation Policy

If you cannot keep your appointment time, we ask that you call 24 hours prior to cancel your appointment.

Refill Policy

LCH requires a minimum of 48 business hours in order to send medication to your pharmacy of choice. Please call a week before your medication runs out to ensure that your medication is ready when you need it.

Privacy Policy

LCH will maintain the privacy and security of your protected health information. We will not use or share your information with any other organizations or individuals unless you tell us we can in writing (for example: send your medical records to a specialist). If you tell us we can, you may change your mind at any time. We are happy to provide you with a copy of our privacy notice if you ask.

Financial Policy

■ **Insurance**

We see everyone, regardless of insurance status. We accept the following insurance plans: Keystone First, Aetna Better Health, United Health Care Community Plan, Independence Blue Cross, Keystone Health Plan East (IBC), Blue Cross/Blue Shield, United Health Care Compass Plan, Health Partners, Medicaid Access and Medicare CIGNA, and others. Please bring your insurance card with you at the time of your appointment.

Copayments are collected at the time of service. We accept cash, checks and the following credit cards: Visa, MasterCard, Discover, American Express and FSA. If your insurance changes, please notify us before your next visit. If you carry an HMO insurance, LCH must be the provider of record to successfully file your insurance claim.

■ **Fees**

LCH serves all patients regardless of ability to pay. Discounts for medical services are offered on a sliding fee scale depending upon your family size and income. In some cases, the sliding fee discount can also apply to deductibles imposed by insurances. If you wish to apply for discounts, you will need to bring appropriate documentation of household income. You may apply for a discount at the front desk. LCH staff will be glad to discuss our fees with you. Please do not hesitate to inquire about the charges for services received. You will not be denied services due to inability to pay. Please note that certain select nonessential services, like teeth whitening, do not apply.

■ **Payment**

A monthly statement of outstanding fees will be sent to the address you provide us. Regardless of your medical insurance coverage, you are ultimately responsible for all fees relating to your care. We are willing to set up payment arrangements if you are unable to settle the balance in full.
